Parent's Night Out

We have our Parent's Night Out scheduled for March 17th. Drop the kids, and go do you!

Group Parent Training

March brings more opportunities for you to participate in our Group Parent Training series, featuring topics that include:

Tackling Toilet Training

Make It Practical, Make It Visual

Look for our sign-up fliers for session times.

Beginning this spring, we're introducing a monthly, ABA therapy in-depth training series. These sessions will go beyond the basics to provide you with a comprehensive understanding of ABA therapy services and how to best support your child.

As we continue to build our training library, we'd love to hear from our families about what you'd like to engage in more. Send suggestions to: jfarrar@behaviorexchange.com

Free Group Parent Training!

Starting this month, we'll be offering **FREE** Group Parent Training for our **Colorado Medicaid families at our Boulder Hive**, and to **any of our private pay families**. Contact your hive's scheduling team and let them know you would like to join in.

New Saturday Hours

Starting March 12, we'll be updating our Saturdays hours. We now have **Morning** (8:30 am – 12:30 pm), **Afternoon** (12:30 – 5:30 pm) and **Full Day** (8:30 am – 3:30 pm) sessions available.

Some amazing news to share!

The Behavior Exchange is opening a new hive — our fourth! — this time in Prosper, Texas, just north of Frisco.

Our home base is in Plano, where we started. Three years ago, we expanded into Frisco with a beautiful flagship site, and now we're bringing life-changing ABA therapy to a growing community with a name we hope to make come true for your family.

We will keep you updated on our progress. Be on the lookout for more details about our exciting new hive!

Bee happy and Prosper!

You'll love our ABA therapy Group Parent Training. (And not just because it's **FREE** if you have **Co. Medicaid!**)

ABA therapy is most effective when it's used consistently with children, including when they're away from a professional therapy setting.

With our Group Parent Training, you can:

- Learn the basics of ABA therapy
- Effectively use lessons learned in everyday situations with your child
- Be empowered with tools that will help your family thrive
